

## Insights for Investors

### Uncover new opportunities

When you search using Property Insight, you'll find content organized to help you easily locate people and property, helping you spot and qualify new investment opportunities. You will also find that our data is comprehensive and includes publicly recorded documents, scanned and indexed for name and property searching. Historically rich, most counties offer 20 years of history, with some markets dating back to the 19th century.

### Used for:

- Property Research
- Investor due diligence
- Property history
- Transaction history
- Location of distressed sellers
- Foreclosure and pre-foreclosure filings
- Open liens
- Judgments
